Curious about Cybersecurity at Anderson University?

#1 Reason: [Center of Academic Excellence in Cyber Defense (CAE-CD)](#)

Hello!

Here is the #1 reason why you should attend [Anderson University](#) and study in our [Cybersecurity Program](#).

Anderson University has been designated as a Center of Academic Excellence in Cyber Defense by the [National Centers of Academic Excellence in Cybersecurity (NCAE-C).](#)

- The Bachelor of Arts in Cybersecurity at Anderson University is a **validated Program of Study** which covers 22 Knowledge Units. It is designed for students who seek to defend against growing cyber threats to both the public and private sectors.

- Also, when you graduate from Anderson University this CAE-CD seal will be a part of your Certificate of Completion and a prospective employer will know that you were a part of a program that met criteria established by the NSA and DHS for new cybersecurity graduates, which will **make you stand out among other candidates** for a job.

- As a CAE institution, AU can **offer you experiences and opportunities** that you will not find outside the CAE, such as the [Department of Defense Cyber Service Academy (DoD CSA)](#), the [VIVID Internship](#), and more.

If this sounds like something that you would like to be a part of…
